

ShopWithScrip.com is the online ordering system that our organization uses to gather your scrip orders. This site offers you convenience – you can now order scrip from any internet-connected computer any time, anywhere.

Who Can Use ShopWithScrip?

Any family can use ShopWithScrip – however, to place orders, **you must first create a free account at ShopWithScrip.com.**

How to Register

To register with ShopWithScrip, first open up your web browser, and go to www.shopwithscrip.com. To register a new account, go to the orange **Member's Login** box on the side, and click "Not a member? - Click Here".

Follow the simple registration instructions and accept the terms and conditions of using the site. The next screen you will see is called "Join an Organization."

Before you can place an order, you must enter our organization's enrollment code: 81DLDELE9552. By associating this code with your newly-created account, the ShopWithScrip system will correlate your shopping activity with our non-profit organization.

Presto-Pay™ is a convenient way for your family to pay your organization on-line at the time you place your order. GLSC will accept the payment on behalf of your non-profit organization.

GLSC will immediately debit your checking account for the face value amount of your order, plus a small convenience fee of \$0.39, and hold that payment until your non-profit's order has been released by your coordinator.

Once your organization has enabled you to use this feature, you will notice a message like the one on the left. Simply click on the link to begin the enrollment process.

Carefully read the terms and conditions for Presto-Pay and select "Yes, and I Agree."

On the registration page (shown at right), enter all of the required banking information and click "Next" to submit.

At this point, you will need to wait for GLSC to verify the account. This process typically takes one to two business days, but some banks may need a few more. You can still place your order, but must pay by check until your account is completely verified.

During the next few days, watch for two small deposits of money to be made IN to the account you have designated. Take note of both amounts and return to your Account Dashboard on ShopWithScrip.com.

Notice the message at the top of your screen, "Your Presto-Pay Account has not been verified. Click here to verify."

To continue the verification process, enter the amounts supplied by your bank as deposited by GLSC, and click "Next" to complete the enrollment process.

You are now ready to Presto-Pay!
