

STAR OF THE WEEK NUMBER SIX

Hi! My number is 6. I was star of the week in January. I have five people in my family including me. I live with my parents, my brother and my sister. My brother is nine years old and is my twin. We are lucky because we get to be in same class in school. My sister is five years old and also goes to OLV. I have three cats, Lennon, Seamus, and Marley. Marley is my special cat that I received as a birthday gift when I turned seven. Our other pets include African frogs, and a fish named Peace. I am nine years old and my birthday is in October. I am in 3rd grade at OLV. I live not very far from OLV so it only takes two minutes to get there. I live in Uxbridge. We enjoy spending time at our grandparents' home on Cape Cod whenever we can. I like school and have a lot of great friends. I enjoy taking Irish Step Dance. I loved being star of the week, and I am glad to be telling you about me.
